

# Little Drum

*From Feeling The Beat*

I have a little drum and I play it on the beat,  
Keeping in time and sounding a treat,  
I have a little drum and I play it on the beat,  
Play and play and play and play and stop!

I have a little drum playing softly on the beat,  
Keeping in time and sounding a treat,  
I have a little drum playing softly on the beat,  
Play and play and play and play and stop!

I have a little drum playing loudly on the beat,  
Keeping in time and sounding a treat,  
I have a little drum playing loudly on the beat,  
Play and play and play and play and stop!

I have a little drum playing slowly on the beat,  
Keeping in time and sounding a treat,  
I have a little drum playing slowly on the beat,  
Play and play and play and play and stop!

I have a little drum playing quickly on the beat,  
Keeping in time and sounding a treat,  
I have a little drum playing quickly on the beat,  
Play and play and play and play and stop!
